ORGANISATION OF CERTIFICATION AND DECLARATION OF PRODUCTS AT THE EURASIAN ECONOMIC UNION

(BELARUS, RUSSIA, KAZAKHSTANI)

OUR STRENGTH – **CONFIRMATION OF FIRE SAFETY COMPLIANCE** (TR 2009/013/BY, TR EEU 043/2017)

Questions send there: trest21vek@tut.by

Having extensive experience in the field of confirmation of compliance, we are ready **to assist in organizing the receipt of necessary documents:**

- answer the question of what is subject to and what requirements are met;
- determine in which documents the requirements for the products are established, and how to confirm from the implementation
- to orient in order and terms of work;
- prepare documentation for certification (declaration) of serial production (process organization, availability and writing of instructions);
- to collect documentation for certification (declaration) of a batch of products;
- provide information on laboratories capable of (accredited) to carry out the necessary tests;
- assist in the selection of representative test products;
- if necessary, we can help with writing technical specifications;
- and much more.

Our organization, being the exclusive representative of ZAO PO Spetsavtomatika (Russia), key dealer Wilo (Germany), representative WEFLO VALVE CO., LTD (China), Hidrosta (South Korea) for 7 years, organize the receipt of all types of documents in the field of conformity assessment for both serial production and separately imported batch.

WE CAN SELL, CERTIFY AND PROMOTE THE PRODUCTION

(Youtube reviews, seminars, exhibitions)
